

UPDATE ON GOVERNMENT GRANTS AND ASSISTANCE

WEEK ENDED 23 SEPTEMBER 2022

Name of Grant:	Flexible Approach to Training in Expanded Settings (FATES) – Round 2
Federal/State:	Federal
Details:	The Flexible Approach to Training in Expanded Settings (FATES) program contributes to the Department of Health and Aged Care's Outcome 1.4: Health Workforce. This new funding pool will enable the government to influence the speciality training system through the support of new activities that will help overcome identified barriers to deliver better distribution and supply of specialists matched to local community health needs.
Closing Date:	10 October 2022
Paper Number:	014-497
Name of Grant:	Victorian Dining and Entertainment Program
Federal/State:	Victorian
Details:	<p>The Victorian Dining and Entertainment Program is back to support hardworking hospitality and entertainment businesses.</p> <p>The government is giving their customers 25 per cent cash back when they spend \$40 or more. This will encourage more Victorians to get out and enjoy the best dining and entertainment Victoria has to offer this Spring.</p>
Closing Date:	16 December 2022
Paper Number:	143-548
Name of Grant:	CSIRO - Innovate to Grow: Defence Victoria/Tasmania
Federal/State:	Non Government
Details:	<p>This is a free 10-week virtual, self-paced program for Small to Medium Enterprises (SMEs) in Victoria and Tasmania to investigate new R&D opportunities related to defence solutions.</p> <p>This program is open to businesses working in one of the sub-sectors.</p> <p>The course provides tools and information to help business operators to better understand what is involved with R&D and key things they need to consider at each step of the process. The business operator will be able to apply this knowledge to advance their innovation journey.</p>
Closing Date:	3 October 2022
Paper Number:	060-508
Name of Grant:	Victorian Land Systems Fund – Supply Chain Uplift Program (SCUP)
Federal/State:	Victorian
Details:	The Victorian Land Systems Fund – Supply Chain Uplift Program will support Victorian defence industry businesses to work with Hanwha Defense Australia (Hanwha) as part of its supply chain. The program will help build businesses' capabilities so they can help Hanwha deliver the Commonwealth Government's \$1 billion Land 8116 Self-Propelled Howitzer program.
Closing Date:	30 June 2024
Paper Number:	143-549
Name of Grant:	Volunteer Grants
Federal/State:	Federal
Details:	Volunteer Grants support the work of local community organisations by enabling the inclusion of vulnerable people and promoting awareness to increase participation in volunteering.

	Grants of between \$1,000 and \$5,000 will be available to assist eligible not-for-profit community organisations support the efforts of their volunteers. Small portable equipment purchases, contributions towards the cost of training volunteers, reimbursement of fuel costs for volunteers and undertaking background screening checks for volunteers are examples of what grant funding can assist with.
Opening Date:	13 November 2022
Closing Date:	5 December 2022
Paper Number:	014-905
Name of Grant:	Targeted Call for Research: Cultural, Ethnic and Linguistic Diversity in Dementia Research
Federal/State:	Federal
Details:	<p>A Targeted Call for Research (TCR) is a one-time solicitation for grant applications to address a specific health issue and stimulate research into areas of national importance where there is a significant knowledge gap. A TCR specifies the scope and objectives of the research to be proposed, application requirements and procedures, and the review criteria to be applied in the evaluation of applications submitted in response to the TCR.</p> <p>The purpose of the TCR: Cultural, ethnic and linguistic diversity in dementia research 2022 grant opportunity is to stimulate research that is inclusive of culturally, ethnically and linguistically diverse individuals, conducted in a culturally safe and appropriate manner thus contributing to improving best practice approaches for dementia research conducted in Australia.</p> <p>The outcomes of the research will increase the quality and availability of dementia evidence, representative of all Australians, to inform future research, policy, programs, and health services. This will lead to the development of appropriate clinical pathways for the diagnosis, early intervention, treatment, and management of people from culturally, ethnically and linguistically diverse backgrounds with dementia as well as provide support for their families and carers. It will also enhance the design and relevance of future dementia research by increased engagement and recruitment of people from culturally, ethnically and linguistically diverse backgrounds.</p>
Closing Date:	16 November 2022
Paper Number:	014-495
