

UPDATE ON GOVERNMENT GRANTS AND ASSISTANCE

WEEK ENDED 9 DECEMBER 2022

Name of Grant:	Wine Tourism and Cellar Door Grant – Round 4
Federal/State:	Federal
Details:	<p>The Wine Tourism and Cellar Door Grant program has been introduced to support producers who add value by encouraging visitors to wine regions. Wine producers will be able to access an annual grant reflective of their eligible physical cellar door sales.</p> <p>The grant is part of a coordinated suite of measures developed with the Australian wine industry after extensive consultations on reforms to the Wine Equalisation Tax (WET) arrangements. It complements the \$50 million Export and Regional Wine Support Package being implemented by Wine Australia from 2016 through to 2020.</p>
Closing Date:	31 January 2023 at 5.00pm ACT Local Time
Paper Number:	014-364
Name of Grant:	MRFF - 2022 MRFF Joint Transnational Call Grant Opportunity
Federal/State:	Federal
Details:	<p>The European Joint Programme on Rare Diseases (EJP RD) brings together the research efforts of over 130 institutions from 35 countries in the field of rare diseases.</p> <p>International organisations have joined forces to carry out a joint call for proposals for transnational cooperative research projects in the field of rare diseases, the EJP RD Joint Transnational Call (JTC) 2022. The MRFF is participating in this Call.</p> <p>The objectives of the MRFF 2022 MRFF Joint Transnational Call grant opportunity are to provide grants of financial assistance to support Australian medical research and medical innovation projects that develop new analytic tools and pathways to accelerate diagnosis and diagnostic monitoring (including undiagnosed cases) of rare diseases.</p> <p>The intended outcome of the research is to improve the health and wellbeing of Australians by improving diagnosis and providing better treatment options for those with a rare disease.</p> <p>To be competitive for funding, applicants must propose to conduct research that delivers against the objective set out in the grant guidelines.</p>
Closing Date:	15 February 2023 at 5.00pm ACT Local Time
Paper Number:	014-452-01
Name of Grant:	Targeted Call for Research: Improving physical health of people with a mental illness
Federal/State:	Federal
Details:	A TCR is a one-time solicitation for grant applications to address a specific health issue and stimulate research into areas of national importance where there is a significant knowledge gap. A TCR specifies the scope and objectives of the research to be proposed, application requirements and

	<p>procedures, and the review criteria to be applied in the evaluation of applications submitted in response to the TCR.</p> <p>The purpose of the TCR: Improving physical health of people with a mental illness grant opportunity is to stimulate research that develops effective strategies and interventions to improve the physical health of people with a severe or persistent mental illness.</p> <p>The outcomes of the research aims to assist in developing effective health services, policies, and examples of successful collaboration to guide and train providers to better manage coexisting mental and physical health conditions. Thus, reducing risk factors and avoidable hospitalisations and improving the health and life expectancy of people living with a mental illness.</p>
Closing Date:	1 March 2023 at 5.00pm ACT Local Time
Paper Number:	014-495
Name of Grant:	Aged Care Infection Prevention and Control (IPC) Training
Federal/State:	Federal
Details:	<p>The Aged Care Infection Prevention and Control Training program was announced in the 2022-23 Budget as part of the Australian Government's response to COVID-19 in aged care.</p> <p>The purpose of this grant opportunity is to provide support for more nurses in residential aged care to access infection prevention and control (IPC) leadership training and ensure residential aged care services are well prepared to prevent or manage future infectious disease outbreaks including influenza and COVID-19.</p> <p>Support is available for up to two suitable Registered Nurses or Enrolled Nurses in each eligible residential aged care service for costs related to suitable training, study leave and the backfilling of staff during periods of study leave. Eligible IPC training courses must meet the requirements for an IPC Lead. Further information can be found on the infection prevention and control leads page on the department's website.</p> <p>Eligible residential aged care services with an existing IPC Lead may apply through this grant opportunity.</p> <p>Providers of eligible residential aged care services including Residential Aged Care Facilities (RACFs), Multi-Purpose Service (MPS) providers, and providers delivering residential care services under the National Aboriginal and Torres Strait Islander Flexible Aged Care Program (an approved NATSIFACP provider) can apply.</p> <p>Training must commence between 1 July 2022 and 30 June 2023 and be completed by the date specified in the grant agreement.</p>
Closing Date:	30 June 2023 at 2.00pm ACT Local Time
Paper Number:	014-453-01

Grants Closing within the next two weeks
