UPDATE ON GOVERNMENT GRANTS AND ASSISTANCE

WEEK ENDED 10 FEBRUARY 2023

New and Re-opened Grants which have been uploaded to our website.

Name of Grant:	**NHMRC-JPIAMR 2023: Antimicrobial resistance diagnostics and surveillance funding call**
Federal/State:	Federal
Details:	The 16th transnational funding call of the Joint Programming Initiative on Antimicrobial Resistance (JPIAMR) is supporting proposals for 'Development of innovative strategies, tools, technologies, and methods for diagnostics and surveillance of antimicrobial resistance (AMR).' NHMRC aims to support Australian researchers who are listed on the successful applications submitted to JPIAMR under the following topics: Topic 1: to develop novel, or improve existing, diagnostics, including point of care diagnostics, that can rule out antimicrobial use or help identify the most effective antimicrobial treatment Topic 2: to develop or improve existing strategies, technologies or methods, or data use strategies to support One Health AMR surveillance NHMRC will only fund research in One Health settings related to human health and the Environment setting where it is related to human health.
Closing Date:	5.00pm ACT Local Time on 5 July 2023
Paper Number:	014-460-01

Name of Grant:	**Visions of Australia**
Federal/State:	Federal
Details:	The Visions of Australia Program provides funding to support the development and touring of quality exhibitions to regional and remote Australia by Australian arts and cultural organisations . The objectives of the Visions of Australia Program are to: • increase access for Australian audiences to exhibitions of quality Australian arts and cultural material, with a particular focus on regional and remote Australia; • encourage partnerships between organisations such as museums and galleries, particularly collaboration across the collections sector, to form curatorial partnerships and where appropriate, access to mentoring and skills transfer opportunities. Program funding is delivered through two streams: • Development: for the costs of planning and producing an exhibition to tour. This includes research and design. • Touring: for the costs to produce the exhibition and the costs to transport, install and dismantle the exhibition as well as deliver public programs.
Closing Date:	5.00pm ACT Local Time on 3 March 2023
Paper Number:	014-235

Name of Grant:	**Indigenous Languages and Arts (ILA) Program – Open Competitive Grant Opportunity**
Federal/State:	Federal
Details:	The ILA Program supports Aboriginal and Torres Strait Islander Australians to express, preserve and maintain their cultures through Indigenous languages and arts activities.
	Grant funding allocated through the ILA program supports activities that:
	Preserve, revitalise and sustain Indigenous languages by:
	• Supporting the use of spoken language in everyday life by facilitating language practise in a range of contexts through culturally appropriate learning and teaching activities.
	• Supporting community members to improve their language knowledge and skills and build capacity in the sector by providing language learning and teaching pathways that include opportunities to gain formal qualifications in learning and teaching an Indigenous language.
	• Recording, preserving and making available Indigenous languages using digital technology in an innovative and culturally appropriate way.
	• Facilitating the use of Indigenous languages in everyday life by producing and providing access to language materials that enable community to enjoy, learn, use and teach their languages.
	Create, promote and celebrate Indigenous cultural expression by:
	• Developing, producing, presenting, exhibiting or performing a diverse range of traditional and contemporary Indigenous art forms which could include dance, theatre, film, literature, music and traditional Indigenous arts and crafts.
	• Promoting and celebrating Indigenous art forms and providing access to arts activities that enable community to enjoy, connect and take pride in their cultures.
Closing Date:	11.30pm ACT Local Time – 22 March 2023
Paper Number:	014-209
Name of Grant:	**National Collecting Institutions Touring and Outreach Program 2023**
Federal/State:	Federal
Details:	The objectives of the National Collecting Institutions Touring and Outreach Program are to:
	• increase overall levels of touring by National Collecting Institutions with particular emphasis on multiple venue tours;
	• promote broad access to Australian cultural material through touring works from the collections of the National Collecting Institutions, with particular emphasis on providing access for audiences in regional areas;
	• promote international awareness of Australia's cultural heritage through touring Australian cultural material from National Collecting Institutions overseas;
	• expand Australian appreciation of international cultural material through enabling National Collecting Institutions to bring works from international collections for exhibition or touring within Australia; and
	• encourage partnerships and collaboration between the National Collecting Institutions and also with other institutions (archives, galleries, libraries and museums) across the collections sector, particularly in regional areas.

	Funding is delivered through two streams: projects involving either development of tours or delivery of tours, supporting costs such as research, design, production, transport, installation and personnel.
Paper Number:	014-243
