

Become a CPA - Certified Predictive Accountant

As the new financial year starts rolling, are you joining the new wave of practitioners wanting to lead their profession with Business Advisory Services?

If so, why not become a **CPA - Certified Predictive Accountant**.

My consulting practice has developed techniques in Predictive Accounting, which, if implemented, mean you can prepare a full client Budget, Forecast and Cash Flow, in under one hour, complete with Dashboards and Reports!

More information is available at my web site
www.beyondaccountingtechnologies.com.

As my New Year Offer, I will, at no charge, (normally \$695) share these techniques with you, in a one on one meeting, and give you a report on your firm's:

- Staff Capability and Training
- Tools and Software Employed
- Marketing

This will enable you to confidently plan for, and then take these services to your clients, at a cost and benefit that will have them treating you like a hero!

To take advantage of this offer, register by [Clicking Here](#), and I will contact you to arrange a suitable time.
